MICHAEL ROSEN, Supervising Attorney-Field Examiner, Veteran's Administration, Chief Attorney's Office, 252 7th Avenue, New York, New York, advised SA RAY KOPP on February 28, 1964, that subject's claim folder Number C 5540461 was transferred to the Veterans Administration, Los Angeles, California on October 19, 1962, and no further record of subject exists in the Veterans Administration in NYC.

Mrs. CLARA WOODBURY further described in the details of the report stated that there is no information in the records of Valley Stream Central High School to indicate subject had received psychiatric treatments while attending school. She added that she doubted that the school had any such thing as psychiatric treatment for pupils in 1939.

Mrs. MABEL WINNER, Clerk in Charge of patients' records, Pilgrim State Hospital, West Brentwood, New York, advised on 3/19/64 that her records reflect subject had never been a patient at Pilgrim's State Hospital. It should be noted that Mason General Hospital, mentioned in the details of the report was one of the buildings loaned to the Federal Government during World War II by the Pilgrim's State Hospital which might explain subject's alleged hospitalization there.

A check of the records of the Secretary of State of New York was conducted by SAS ROY L. ARNOLD and R.C. COMPTON.
